Thank you to our coffee station sponsor!

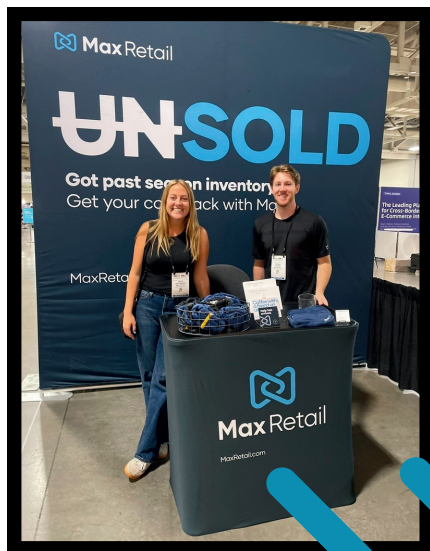

Turn your unsold inventory into cash — while enjoying coffee on Max Retail. Max Retail is the go-to online platform for retailers and brands looking to recoup their wholesale cost on past season inventory — quickly and effortlessly. With just a few clicks, your unsold inventory is listed across 20+ ecommerce sites and reaches over 400 million shoppers.

We're trusted by over 2,000 retailers — here's how it works:

click, click, sold.

- You list your unsold inventory on Max Retail.
- Max Retail enhances your listings and cross-posts them.
- You're notified when items sell and receive a discounted shipping label.
- You get paid as soon as sold items ship — all sales are final.

There are no membership fees — just a 15% transaction fee on successful sales.

Max Retail accepts designer, contemporary, and mid-tier retailers selling men's and women's brand name apparel, footwear, and accessories and more — above \$20 wholesale.

Sign up and a member of their team will give you a call to show you how it works.
